Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

We pay the Highest Gasoline Taxes in the Nation yet our Roads and Bridges are the WORST in the Nation. Increasing Taxes is NOT the answer but Mismanagement IS the problem. You don't solve the problem by increasing Taxes, since this obviously isn't working. You have to investigate and verify where this money is going. CT is being mismanaged and our Governor is Directly to blame.
