**Subject:** Tax Increase Hearing, Monday May 11, 2015

Good Morning,

I am vehemently opposed to all of these new taxes. I am a lifelong Connecticut resident and business owner. The fragile economic condition of our state cannot take another financial blow that these taxes will deliver.

The link below is to a recent CT Post article shows that 49% of Connecticut residents want to leave the state. The cost of living and tax burdens are two major reasons.

<http://www.ctpost.com/news/slideshow/Poll-Half-of-Connecticut-residents-want-to-leave-84932.php>

Please act responsibly and DO NOT create these new taxes.
