**www.facebook.com/FPDCT**

**POWER:** Charging Stations for all electronic devices have been opened at Police HQ, Fire HQ, FD Station 2 at 600 Jennings Road, Command Posts at Shoprite on Black Rock Turnpike and IGA on Stratfield Road.

**SHOWERS:** Fairfield University RecPlex and Planet Fitness at 111 Black Rock Turnpike have made their showers available to residents who have been impacted by the storm.

**WATER/MRE:** Bottled water/MREs distributed out of Fairfield Ludlowe High School.

**FOOD/FUEL/INTERNET ACCESS:** Various commercial establishments along the Post Road and Black Rock Turnpike including all major grocery stores (Shoprite, Stop & Shop, Whole Foods).

**OXYGEN:** Power for machines is available at Ludlowe HS Shelter; all others may be transported to hospitals.

**STORM UPDATE - 3 November 2012**

United Illuminating expect 95% of the power to be restored by midnight Monday night; on Friday at 5:00pm 43% of our residents were without power. South Pine Creek Road and South Benson Road and all points east are open to residents who live in that area. Fairfield Beach Road areas are still closed for its length. The commercial districts in town largely have power and many businesses are open. Thank you all for your patience during this trying time.

FEMA's Forward Assessment Team is now performing initial damage assessments; residents with damage to their home, vehicle or property are asked to register at DisasterAssistance.gov or 1-800-621-3362, giving their SSN, Current & Damaged Address, Phone & Insurance Info.

**PORTABLE GENERATORS MUST BE USED WITH CAUTION OUTSIDE AND IN ACCORDANCE WITH MANUFACTURER'S INSTRUCTIONS.**

**Please call 203-254-4800 if you know of any resident or neighbor with special needs or medical conditions who may have lost communications due to the storm and may be housebound.**

**Please call 203-254-4700 if you are aware of smoke or carbon monoxide detector problems and emergency personnel will provide spares as needed.**
