Dear Neighbor,

I hope this letter finds you well. As we look to the future of our state I know we have a lot of work to do.

The taxes in our state are too high and businesses still do not have stability. Add to that, far too many people remain out of work or have stopped looking.

A number of families have told me it is the good quality of life in our state that keeps them here. Let us not lose that.

Together we can try and lessen the tax burden and jump start our economy.

Please take a moment to fill out either the online questionnaire, or clip the attached card and send me your thoughts.

I cannot do this alone and would be grateful for your input.

Sincerely,

Jason
