Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I find it to be a huge concern that this state appears to have money for bus lines, rebuilding highways, substantial raises and other venues when CT. has no money! It is appalling to consider making deeper cuts in social programs-especially mental health.As a middle class citizen I cannot and will not continue to pay to support this lack of common sense. I am seriously considering relocating to another state.
