Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Please stop raising taxes! Stop spending! Stop using monies ear marked for roads and bridges to fund your unnecessary state and town mandates. Start working with the understanding that the monies you are using are the peoples sweat and tears. We work very hard for the money we earn and we are tired of you throwing it around. If you run out of funding everything stops! Just like a normal household. Create a realistic budget and learn to keep to it.
