Dear Senator Fasano and Representative Klarides:

Dear Honorable Representatives, With local, State, and National Debt at all time highs, and household budgets at and beyond breaking point; the only thing that makes sense is to hold and trim budgets. Funds should be used to make progress is saving expenditures, i.e. necessary repairs, changing from incandescent to LED technology, and so forth. Please DO NOT add any new taxes in any form (VAT , no tolls). Stop the spending, so residents can prosper which will prosper the State.

Sincerely, Mrs. Claire Smith, Sharon,CT
