**Categories:** Red Category

Dear Senator Fasano and Representative Klarides:

Having owning a home in the city of Meriden for several years now I have seen nothing but increased taxes year after year and uncontrolled spending by our state leaders. Enough is enough. It's time to stop tightening the noose on the people that are writing your paychecks. You will inherently make people lose their homes and take away their ability to provide for their families if you pass this ridiculous tax.
