**Subject:** Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Tired of hearings NO TAXES From Malloy, sick and tired of this state, have really considered moving out, every time you turn around it is a new tax on this or that, Oh we new need new roads, have you every driven on some of the roads here in Danbury? If you would like I could hook you up to a Radio Flyer wagon and take you for a tour, sorry, no seat belt included in the tour, make sure you bring padding for your hiney, it WILL be a rough ride. But let us send money transportation, buses, and really nice stations, for people who don't give a rats butt, and never use them. I suggest fix the roads and bridges that will kill people who don't ride your stupid buses. only my take on this unfortunately people's vote, even though they do, doesn't count. Mallory is like Obama and will do what ever he wants. Screw the people, that is the motto they take. Luckily, we are old and , and will die soon, and don't have to see the destruction this party will do, feel sorry for my kids. Thank you Mr. Malloy and President O BAMA, for all you good work, my respects to the future generations.
