

My name is Emily Angeloff, I work at Horizons and receive supports from D D S. i am also a self advocate striving to ensure benefits and rights for myself and others. on behalf of us all, i would like to thank you all for your support and for voting to restore funding to the vital services provided by non profits in partnership with the state. Seeing all of our elected leadership supporting the needs of people with developmental disabilities is very validating. The supports that I receive through Horizons enable me to work, have a social life, and be a valued and contributing member of society. I appreciate all of your efforts and encourage you to continue coming together to respond to the needs of myself and others. Thank you for your time, I will be available afterwards for your questions.
