Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

It is time that the State learns to live within its budget and cut the cost of taxes that are being paid for by the middle class. I see nothing but a Governor who spends money on political appointees, business pals who donated money to his campaign, give millions of dollars to special companies for adding just a few jobs. This cannot be sustained and will cause our State to loose what few good jobs are left. Time to have an investigation to determine if fraud is costing this state. NO MORE TAXES!
