Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Are you kidding? When does the taxation stop in this state? I have been a CT resident for 50 yrs, doubt I , like so many other people in this state will last much longer. Government's answer to their poor business practices is tax its citizens, penalize small business and impose laws and regulations that dont apply to themselves. increased taxes is NOT good for ct. Stop the spending.
