Dear Senator Fasano and Representative Klarides:

You have no idea what a poor image CT has in the rest of the country. When I mention I'm from CT, they tell me there's a "closed door" attitude in that state and its high taxes reputation is discouraging. so they go to more inventive, new ideas encouraging states. Not ours! You're doing something wrong when this is what the "doers" of our country think of us. Correct this!
