Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I am a sole proprietor in business for 10 years. All the small business incentives and tax breaks NEVER EVER have an allowance for a single business owner. I am divorced with no children and do not own my own home. I also lost the affordable healthcare I had due to ACA and am paying significantly more for healthcare. Rising utility costs and COL are among other items leaving less in my pocket. You are driving business to failure which you already know. I am taxed so heavily as a single self employed woman and don't have the fancy lawyers working the loopholes put in place for the big corporations to avoid paying their fair share. If I could afford to take time from work to speak in person I would. But I cant. Please know there are lots of people just like me who need to have a voice. Thank you.
