**Subject:** Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Additional taxation and budgetary slight of hand will only hasten the outflow of residents with the will and desire. Until we revise our tax code and spending priorities, not much will change. Look to North Carolina as a state that has done just that in the last few years. To the dismay of all the naysayers, a move to a flat tax will result in a half billion dollar budget surplus in the current fiscal year.
