Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Have already written to Art Linares and Melissa Ziobron, but: Stop the borrowing, stop pushing the unfunded mandates and tax avoidance techniques down to the Towns. Start cutting real ongoing expenses and stop the shell game. Many elected official seem to think we are idiots. I see the smart idiots who can afford to leave are gone or are planning to leave. None of the people now paying the taxes will be left to support the ones that don't!
