Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

It's very sad to know that I have to leave the State of CT in the next year or so because as widow and the mother of one who was born and raised here, has worked for 40 years in the same town and owns a home here in Danbury because I can no longer afford to keep up with all the taxes you have burdened us with. Thanks for the memories!
