Secretary McCaw and Mr. Drajewicz:

I am writing to you both to obtain more information about the governor's latest toll proposal released on December 6, 2019.

Specifically, I would like to request a breakdown of revenue projections by toll and bridge location. I also would like to review your definition for medium and heavy trucks. Please also provide copies of any CDM Smith analysis supporting these estimates.

The Office of Fiscal Analysis has not been able to provide us with this information. Therefore, I am writing to request that this information be shared with our office directly from the governor's administration.

Thank you for your time and attention.

Sincerely,
