Dear Gov. Lamont and Commissioners Juthani and Gifford,

We write with regard to the Centers for Disease Control and Prevention pulling back funds allocated in response to the pandemic to state and community health departments and nongovernment organizations.

Can you please provide us with an accounting of this CDC money that has come to Connecticut?

Can you please also include a breakdown of how it has been spent, and what is has been spent on?

Your response will help us to better communicate with our constituents.

Sincerely,
